I am a graduate of Information Systems from Universitas Bina Sarana Informatika with a GPA of 3.86/4.00. I have a strong interest in the field of information technology and hands-on experience through internships as a Full Stack Developer, Software Tester, and IT Support. In addition, I have completed several training programs and certifications in computer networking and hardware engineering. With a strong eagerness to learn, I continuously develop my skills in application development, software testing, and IT infrastructure, and I am ready to contribute to supporting digital transformation in the industry.

Education

Universitas Bina Sarana Informatika

Bachelor of Information Systems | GPA: 3.86 / 4.00

Jl. Margonda No.8, Pondok Cina, Kecamatan Beji, Kota Depok

2021 - 2025

Internship Experience

Government of Depok City (Mayor's Office)

Full Stack Developer Intern

Jl. Margonda No.54, Depok, Kec. Pancoran Mas, Kota Depok

Nov 2024 – Jan 2025

During my internship at the Mayor's Office of Depok, I worked as a Full Stack Developer, where I was responsible for developing a web application designed for managing student data. I contributed to both front-end and back-end development, ensuring that the system functioned effectively and met the needs of the users.

PT Yayasan Adipurna Inovasi Asia (Vocasia)

Software tester, Pegawai Magang

Jl. Lembah Nyiur Raya No.1 Blok J12, RT.5/RW.9, Pondok Kelapa, Duren Sawit

Feb 2024 – Jun 2024

At Vocasia, I was responsible for conducting both manual and automated testing on websites and applications, including automated testing using Cypress. I carefully documented the results of each test to ensure system quality, stability, and reliability throughout the development lifecycle.

PT Asuransi Kredit Indonesia (Askrindo)

IT Support, Pegawai Magang

Jl. Angkasa Blok B No.9, Kav.8. Kota Baru Bandar Kemayoran Jakarta Pusat

Jan 2020 – Mar 2020

As an IT Support intern at Askrindo, I assembled and configured PCs, installed and managed software, and carried out server maintenance to ensure stable operations. I was also responsible for system monitoring and troubleshooting technical issues, supporting the smooth functioning of IT infrastructure within the organization.

Non-Formal Education & Training

Intermediate Computer Networking Training

*Pusat Pelatihan Kerja
Pengembangan Industri*

No.17, Jl. Raya Jakarta-Bogor No.Km 22 8, Susukan, Kec. Ciracas, Kota Jakarta Timur

Mar 2022 – Jun 2022

During this training, I studied Cisco configuration, IP concepts, and network topology design, while also gaining hands-on experience in managing and optimizing computer networks.

Computer Technician Training

*Pusat Pelatihan Kerja
Pengembangan Industri*

No.17, Jl. Raya Jakarta-Bogor No.Km 22 8, RT.8/RW.1, Susukan, Kec. Ciracas, Kota Jakarta Timur

Jul 2022 – Aug 2022

This program allowed me to develop practical skills in PC assembly, troubleshooting, and problem-solving, covering both basic and advanced technical issues in computer hardware and software.

Certifications

- BNSP – Intermediate Network Administrator (2022)
- BNSP – Program Analyst (2024)
- Computer Technician – PPKPI (2022)
- Intermediate Computer Networking – PPKPI (2022)
- Welding Certification (3G & 4G GTAW & SMAW) (2025)
